Purpose:

Our purpose in conducting this tournament is to provide needed funds to assist the Hampton Veterans Hospital in purchasing personal supplies and recreational funds for our hospitalized military veterans. These men and women gave of their life and energy to provide a safe and secure country so that our children, grandchildren, and great grandchildren can enjoy the protection granted us under the Constitution of the United States. It is the least we can do to provide these long term care veterans with a pen, paper, envelope and stamp, or some form of recreational freedom from their hospital rooms.....
